CHANGE CREATORS PROGRAM

ABOUT THE PROGRAM

Change Creators is a 10-week youth-led program for young men aged 15–21 who have exited juvenile detention or had contact with the justice system. Backed by the NSW Youth Opportunities Program, it provides life-changing skills, mentoring, and pathways to employment, business opportunities, and community connection.

KEY FEATURES

- Interactive workshops on resilience, leadership, emotional intelligence, financial literacy, and business skills
- A 10-part storytelling podcast series created and produced by participants
- A community engagement project showcasing participants' contributions
- A celebration gala recognising achievements

OUR LEARNING FOR GOOD APPROACH

The program is built upon BREED's 'Learning for Good' model, which focuses on shifting mindsets to create stronger connections, discovering self-worth, and unlocking pathways to prosperity. Each session integrates these elements, helping participants build resilience, confidence, and purpose while learning practical life and career skills.

JUL 17 Launch: End of February 2026

JUL 17 Conclusion: June 2026

OUTCOMES

- Build confidence, resilience & a sense of belonging
- Discover self-worth and purpose to inspire future goals
- Develop pathways for education, employment & prosperity
- Strengthen community connections & networks
- Gain recognition as leaders & changemakers
